Clematis 'Bees Jubilee' (bright pink bi-color)

Hydrangea anomala petiolaris (white) Climbing Hydrangea

Hydrangea anomala petiolaris 'Mirranda' (white) Variegated Climbing Hydrangea

Evergreen Climbers:

These plants bless us with beautiful foliage all year long; however, they perform best in a south or southwest location. (Keep them away from our occasional harsh northeast winter winds)

Clematis armandii 'Snowdrift' (white)

Clematis armandii 'Apple Blossom' (pink)

Clematis cartmanii 'Avalanche' Ô (white)

Clematis cirrhosa 'Freckles' (white/red bi-color)

Clematis cirrhosa 'Ourika Valley' (yellow)

Clematis cirrhosa 'Balearica' (bi-color)

Hydrangea seemanii (white) Evergreen Hydrangea

Trachelospernum jasminoides (white) Star Jasmine

Climbing Plants for Small Locations:

These climbers are ideal for the small garden. They can also be grown in container, such as patio pots or hanging baskets.

Clematis alpina 'Helsingborg' (blue)

Clematis alpina 'Constance' (pink)

Clematis macropetala 'Markham's Pink' (pink)

Clematis macropetala 'Jan Lindmark' (purple)
